COLLEGE & CAREER READINESS (CCR)

Individuals interested in obtaining an Adult High School Diploma (AHSD) or High School Equivalency (HSE) should contact **252-451-8246, 252-451-8215** or visit **www.nashcc.edu/ccr** for more information.

College and Career Readiness classes are offered on-campus and off-campus at No Fee to individuals ages 16 and older. Minors (ages 16 - 17) must first complete a minor packet and interview prior to registering for orientation.

Orientation & Registration Requirements

1. Space availability is limited and has first come/first served.
2. Complete placement testing before enrolling in College and Career Readiness classes.

Advisement and Placement Procedure The registration process consists of placement testing, then attendance in a Ready, Set, Go Orientation class.

Placement Testing

Testing will be held in the Continuing Education Building, Room 8120. Please bring a photo ID

- Monday: 9:00am - 5:00pm (Arrive by 2:30 PM)
- Tuesday: 9:00am - 5:00pm (Arrive by 2:30 PM)
- Wednesday: 9:00am -8:30pm (Arrive by 6:00 PM)
- Thursday: 9:00am - 5:00pm (Arrive by 2:30 PM)
- Friday: 9:30am -12:00pm (Arrive by 9:30 AM)

Testing is offered on a first-come/first-serve basis. Please pre-register by visiting www.nashcc.edu/ccr and complete the Initial College and Career Readiness Enrollment Inquiry Form. Testing takes approximately 2 - 3 hours.

Ready, Set, Go Orientation

Ready, Set, Go is a required course that prepares incoming CCR students to be successful in the program. Students will be given useful strategies to help them become successful. They will also be presented with career planning strategies to help them work toward their career goals while/after earning their diploma. After completing Ready, Set, Go, students will be better prepared to achieve success in their CCR courses and beyond.

On-Campus Classes

The CCR Department is offering many classes in a hybrid format. Students will complete work assigned by teachers online and can also attend face-to-face classes.

College And Career Readiness Honors Boot Camp

Boot Camp is a five-week multi-subject course that integrates the Social Studies, Reading, Writing, Science, and Math skills necessary to pass the HSE examinations. Students will attend classes daily, take practice tests in the Learning Lab. Due to the fast-paced nature of this course, perfect attendance, and adequate placement test scores are required. In-person.

Foundational Adult Basic Education

The Foundational Adult Basic Education program is designed for students with intellectual disabilities. It serves as an extension of the Occupational Course of Study (OCS) activities in the public school system allowing students to continue their education at the community college level. Students receive instruction in math, language arts and specific career pathways. Through classroom instruction and internships, students prepare to find work in the hospitality and food service industry.

ABE I & II Reading/Writing

This course is a fully integrated approach to teaching reading, composition, and grammar. Emphasis is placed on reading comprehension, vocabulary development, critical analysis, reading rate, and the composition of clear, organized, grammatically correct assignments.

HSE Reading/ Writing

This course will develop and refine grammar skills and, in the process, prepare students for the essay portion of the online assessment for the High School Equivalency Exam.

ABE Math

These courses will develop skills in whole numbers, order of operations, decimals, proportions, percentages, and integers. Upon completion, students will have gained a deeper understanding of the intermediate math fundamentals.

HSE Math

This course will develop skills in algebraic problem-solving including expressions, polynomials, quadratic equations, linear equalities, and functions using workbooks and Khanacademy.org. Upon completion, students will have gained a deeper understanding of working with signed numbers, performing operations with rational and irrational numbers, combining like terms in algebraic expressions, writing and

solving algebraic expressions and equations, solving word problems through the use of algebraic reasoning, and solving geometric problems. Students who complete this course should be prepared to take the Math HSE examination.

HSE Fast Track
