Basic Law Enforcement Training

Center for Advanced Law Enforcement Training

A regional training facility, NCC's Center for Advanced Law Enforcement Training features state-of-the-art, hands on simulation and training providing students with real world skills to begin their career. NCC's Basic Law Enforcement Training program is designed to provide the necessary knowledge for employment as an entry-level law enforcement officer.

The Center for Advanced Law Enforcement Training, located in Rocky Mount, NC, includes an indoor eight-lane firing range and VirTra Systems, Inc. simulator used for firearms training through photo and video simulation of real world field scenarios. Classes are taught by qualified instructors with extensive law enforcement field experience.

Entry Requirements for BLET Academy

Students employed by a law enforcement agency will be given priority admission according to the N.C. Administrative Code. All other students will be considered in the order they complete the following criteria:

- Submit a completed Verification of Sponsorship or Verification of Employment form. (available from the Director)
- Submit completed F-1, F-2, F-3.
- Submit proof of citizenship.
- Submit NCC Personal Data Sheet and Release Agreement.
- Submit certified criminal records from all counties of residence since age 16.
- A completed application packet must be submitted prior to beginning the academy. All forms and application materials are available by contacting the Law Enforcement Training Director.
- Successfully pass a reading comprehension test.
