**NC CAREER & COLLEGE PROMISE**

The Medical Assisting curriculum is an introduction to the Medical Assisting Associates degree which prepares multi-skilled healthcare professionals qualified to perform administrative, clinical, and laboratory procedures. Upon completion of this certificate, the student is not eligible to sit for the American Association of Medical Assistants Certification Examination. However, students who meet the admission requirements may be eligible to apply to the Associate in Applied Science Medical Assisting Program.

**Career Opportunities after completing the Associate in Applied Science in Medical Assisting can be found in:** physicians offices, health maintenance organizations, health departments, and hospitals.
