General/Additional Comments:

This course prepares students for the Anatomy, Morphology, and Physiology (AMP), Infection Control (ICE), and Radiation Health and Safety (RHS) portions of the Dental Assisting National Board examination. The exams meet 3 of 3 exam requirements for the NELDA certification and 2 of 3 exam requirements for the CDA. To pursue the CDA certification students will need 3,500 hours of clinical experience and the General Chairside Assisting Certification.
